

Responsive to the outstanding restriction requirement under 35 U.S.C. 121, Applicant elects to prosecute Group I, namely claims 1-15, without traverse. Accordingly, claims 16-30 have been cancelled, without prejudice to Applicant's right to file a divisional application based on cancelled claims 16-30.

It is believed that the present amendment overcomes the Examiner's objections.

The Examiner is invited to telephone the undersigned attorney at the number appearing below to discuss any issue remaining unresolved to the Examiner's full satisfaction.

Authorization is hereby granted to deduct any applicable USPTO fees arising from this amendment from our deposit account 09-0468.

Respectfully submitted,
